1. An applicant must be rated with a minimum average of fifteen (15) total points to be placed on the waiting list at the time the applicant's rating is completed. An applicant will not lose their placement on the waiting list when additional ratings are completed regardless of total points. The documented interest paragraph will be used as a tie-breaker. Applicants will be admitted in the order of placement on the waiting list.
2. In the event all applicants with a minimum average of fifteen (15) total points on the waiting list are exhausted, those applicants with a minimum average of twelve (12) total points will be reviewed using the same criteria.
3. Applicants who are currently enrolled in or who have completed the Chisholm Trail Technology Center *Advanced Acute Care Nursing Assistant (Pre-Nursing)* Career Major and who have earned a minimum of fifteen (15) points on the Applicant Rating Form will be awarded an additional five (5) point on the point scale.
